1. A secret approach to Frondizi might be useful. However,

time between Israel and Argentina soon and since approach to
Gen. Torrijos made through Israeli Rep. Paris, we prefer use
Argentine Rep. Paris as channel to Frondizi.

2. You should try to convey following message for Frondizi

through Argentine Rep. (FYI) approach should be in low key and
might be put in context seeking current info re Frondizi-BG meeting.
Additional (a) US fully appreciates that in view fact that Eichmann
abducted from Argentina and no reparation yet made, GOA felt
misplaced to go to SC session;

(b) Nevertheless, we hope in interest settling matter
markedly with minimum damage to traditionally good Argentine-Israel
relations. Govt. Argentine concerned will undertake direct discussions
which might obviate need for SC meeting;

(c) We understand BG has proposed meeting with Frondizi.

We can imagine would feel in a vacuum without any input by the US. Development seems like the following: US at least agree with in principle could be reached by, and to be under the exploratory conversations. This would permit, I think first, postponement SC session, with final determination of need for session based on outcome of bilateral talks;

(e) US wishes assure GOA our suggestion motivated by sincerest desire be helpful in matter which we know is great concern to GOA. We very mindful of well-charted support we gave to a recent SC session on Soviet complaint of Argentina. We ask IOA to know that while US, of course, could do very commendable such as those of which Kickham spoke, we still sympathetic to merits of Argentine complaint re legitimate of conspiracy.

3. You should inform French and UK as to our thinking but no approach but should not repeat that this will be approach. We want approach to IOA XX pitched in low key, and we believe tripartite approach might be interpreted as either US or USSR or them.
